

Production Team Member

Here's your chance to start a new journey of success with ENTTEC. We are on the hunt for a like-minded individual to join the Production team.

What we can offer

- A full-time role, starting ASAP.
- A fun and adaptable environment, where you will be working with a motivated and goal-oriented team.
- No two days will be the same.
- The chance to make a difference and have your voice heard.

The opportunity

Reporting to the Production Team Leader, you will be responsible for:

- Install units and printed circuit boards following specification.
- Find errors, diagnose, repair or/and replace defective units.
- Troubleshoot and think of innovative solutions.
- Test and program units.
- Assist with quality inspection during manufacturing process in accordance with quality requirements (visual inspection, testing).
- Mechanical assembly of final products.
- Technical assistance.
- Keep working station clean and tidy.
- Ensure all tools are maintained to be fully operative.

What you can bring

- 3 years experience in a manufacturing environment.
- Experience working with electronics and circuit boards.
- Ability to problem solve and find innovative solutions.
- Be able to understand technical manufacturing instructions, drawings and printed designs.
- The ability to work unsupervised and to show initiative.
- Strong analytical thinking skills.

Nice to have

- A certificate or diploma in Electronics.
- A strong sense of pride in work.
- A can-do attitude.
- Impeccable verbal and written communication skills.
- Mastered the art of computer techniques

Culture and Perks

- Working environment that is designed to be diverse and engaging.
- A culture of experimentation and creative freedom.
- Knowledge sharing and cross-training when possible.
- Working with amazing team.
- Be part of a team who care and support one another.

Our Values

- Be ahead of the curve.
- Be proactive and seek solutions.
- Always innovate and improve.
- Commit to excellence in everything we do.
- Demonstrate an inclusive environment that embraces differences..

This is your chance to work in a creative and high-achieving team. If you believe you have what it takes, then we'd love to hear from you. Email jobs@enttec.com or click on "apply now". Attach your application (cover letter and CV), telling us why you would be perfect for this role.
