

>>>> ENTTEC DISCONTINUED PRODUCTS LOG <<<<
V1.4

The following log lists specific ENTTEC products that have been retired since 2018 (presented as '**SKU** PRODUCT NAME) and is split into sections by the official date of discontinuation.

ENTTEC operates in three global regions: the UK and Europe (EU), the Americas (US) and Asia-Pacific (AU). In certain instances, a product may be discontinued in selected regions only. If this is the case, the affected regions will be listed in brackets after the product).

Wherever possible, the archived webpage for each respective product - to be found in the [LEGACY PRODUCTS](#) section of enttec.com - has been made available via a hyperlink.
